

2026 TINTOWN

A place less ordinary

Cape Town must surely be the most beautiful place on the planet and at Tintown we draw on this natural beauty for inspiration. We manufacture a variety of powder-coated creative products which we supply to retail outlets, the corporate gifting sector and directly to retail customers.

TINTOWN

A place less ordinary

Tintown has grown from one tiny trestle to a highly productive, and mostly organized, studio. This less than ordinary place has now moved to an extraordinary premises. You can find our studio in the design hub of Cape Town's Woodstock, at Mason's Press.

At Tintown we believe in a creative process that starts on paper, where each and every design gets the love and attention that it deserves. The design concepts are then refined and produced to become part of our unique range of colourful products.

-  Crisp White
-  Matt Black
-  Ruby Red
-  Bluebell Blue
-  Cobalt Blue
-  Teal Blue
-  Metallic Silver
-  Metallic Copper
-  Rose Pink
-  Lime Green
-  Sunshine Yellow
-  Sunset Orange

Our products can be produced in any of the above powder coat range of colours. Email us with queries about specific colours, or our most popular choices, and we'll be happy to supply you with additional information and images. Please note that computer monitors display colours differently based on their settings.
